SOLID BRASS FRAMED HINGE ENCLOSURES

SOLID BRASS FRAMED HINGE ENCLOSURES	
Hinge/Mount Type:	Piano Hinge
CONFIGURATIONS	
64	X
70	X
71	X
72	X
1627	X
1628	X
1629	X
1631	X
1632	X
1669/1669-B	X

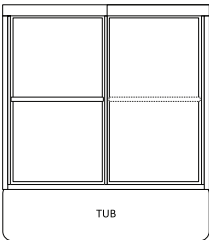

The table above is meant to display all available Brassline hinge door models. An "X" indicates that the configuration is available for the corresponding hinge type. The following pages include pricing for the majority of models, though some have been excluded to simplify the book. Please contact us if you would like pricing for any enclosure that is not included in the book - we would be happy to help.

All Brassline models, except the B-71 and B-72, are available in either a 1" frame.

BRASSLINE SLIDERS

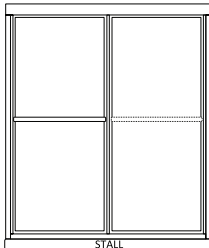

STANDARD FEATURES:

- Heavy gauge solid brass header, side jambs, clean track & hardware
- Clear 3/16" tempered glass standard
- Slider with 1" frame includes round header & highline flat towel bars (1" Flat Beveled Header available at no charge)

Low Iron Reed	

* Please call for price quote on ALICE glass prints.

* Please call to check availability of ALL glass upgrades. .

Prices shown are per square foot and are incremental to clear glass price, so can be added to the unit list price.

Formula for Square Feet:

Door Width (inches) X Door Height (inches) ÷ 144 = SF

Example: 28" x 80" = 2240 ÷ 144 = 15.55 SF (Round to whole number)

	\$/ SQ FT
Diamon Fusion	<i>call for quote</i>

Diamon Fusion is a one-time, chemical treatment that is applied to and absorbed by the glass in order to add a layer of protection to the glass, reducing the required cleaning time.

(APPLIED TO BOTH SIDES OF THE GLASS)

spraylite

satin etch

stipolite (Pattern 62)

niagara

reeded

ALICE

The optional Diamon-Fusion treatment helps protect the glass from the build up of soap scum and hard water deposits and reduces cleaning time by 50%. When added during manufacturing, a vapor mist fills the natural microscopic peaks and valleys in the glass with a ultra thin optically clear durable material making it easier to clean. Simply wipe down with a washcloth or squeegee after showering.

Customers ask for ShowerGuard glass by name because it's the first and best permanent protective shower glass on the market. Wipe-on, spray-on alternatives may need to be periodically re-applied after use. Only ShowerGuard glass is guaranteed for a lifetime.

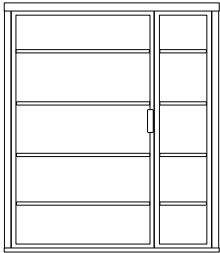

DESCRIPTION	PRICE (TO BE ADDED TO UNIT LIST PRICE)
Notched Panel (for enclosures w/ a buttress(es))	<i>call for quote</i>
Special Angles, i.e. other than: 22.5°-135° Neo-Angle 45°-90° Corner
