

CH 1631 - Semi Frameless Hinged Door

Features:

- Reversible header allowing either round or flat profile.
- 6" C-pull handle included.
- 1/4" clear tempered glass standard. Upgrades available
- Built-in Aluminum drip pan with vinyl or vinyl deflector.
- Magnetic striker allows superior performance with water leakage.
- Fillers available for wall or base outages greater than 1/4".
- Can be installed to hinge from left or right, though best to specify hinge location when ordering.

Configurations:

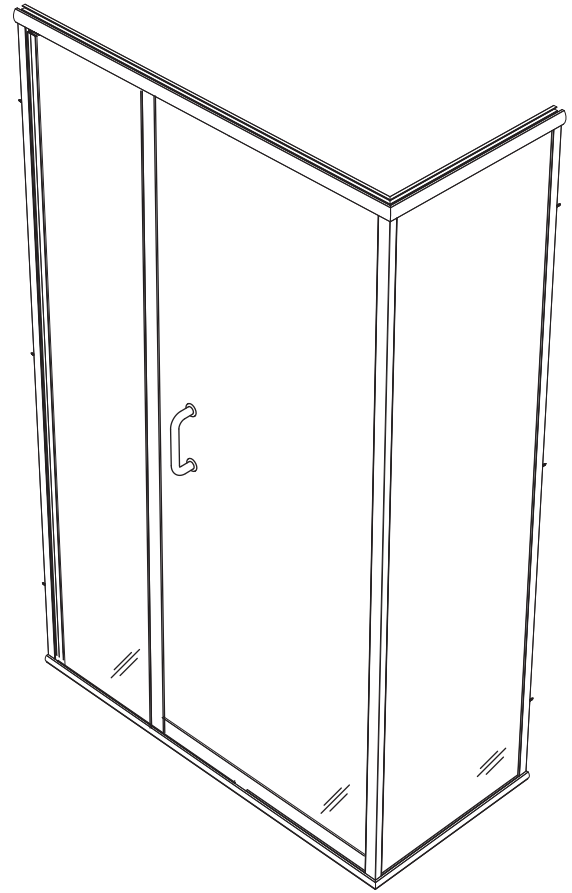

- Consists of single door panel and one sidelight glass panel and one sidelight return panel.

Glass coating option:

- Diamon-Fusion treatment helps protect the build up of soap scum and hard water deposits and reduces cleaning time by 50%. Simply wipe down with a washcloth or squeegee after showering.
