

L 158 - Lucette Framed Sliding Door

Features:

- Choice of 5/32" clear or spraylite/obscure glass fully, glazed and framed for this model.
- Fillers available for wall or base outages greater than 3/16".
- Round and crown header option available.
- Easy to clean bottom track.
- Vinyl wall seals eliminate the need for caulking.
- Adjustable rollers with ball bearings and nylon tires.

Configurations:

- Consists of two sliding doors.

Glass coating option:

- Diamon-Fusion treatment helps protect the build up of soap scum and hard water deposits and reduces cleaning time by 50%. Simply wipe down with a washcloth or squeegee after showering.
