

L 1627 - Lucette Framed Hinged Door

Features:

- Choice of 5/32" clear or spraylite/obscure glass fully, glazed and framed for this model.
- Built-in aluminum drip pan with vinyl or vinyl deflector.
- Magnetic striker allows superior performance with water leakage.
- Fillers available for wall or base outages greater than 1/4".
- Can be installed to hinge from left or right, though best to specify hinge location when ordering.
- Continuous piano hinges for door swing.
- Round and flat header option available.

Configurations:

- Consists of single door panel and one sidelight glass panel.

Glass coating option:

- Diamon-Fusion treatment helps protect the build up of soap scum and hard water deposits and reduces cleaning time by 50%. Simply wipe down with a washcloth or squeegee after showering.
