Note: -Tile work must be complete before Century Bathworks conducts a field measure.

-Measure fee is non-refundable and is applied toward the installation fee.

-Revisits will constitute an additional measure fee.

I understand that any shower door prices quoted prior to receiving final measurements are estimated prices only. Estimated prices are based on level and plumb conditions. Prices change significantly should fillers or tile notches be necessary to complete the installation.

A final price will be quoted after receipt of the finished field measurements.
